Turnitin.com General Instructions

First-Time Access

2. Select **Create Account** in the upper right corner.
3. Scroll down to the Create New Account section and select **Student**.
4. Fill in the boxes with your information.
5. You will need the **class ID** and **class enrollment password** from your teacher. The class enrollment password is case-sensitive.
6. When selecting your personal password it is recommended that you use the same password you use for School Loop or for logging in to school computers.
7. After submitting this page you will have a turnitin.com account and be enrolled in one class.
8. To enroll in additional classes select the **enroll in a class** tab located under the **turnitin** icon at the top left of the page. Again you will need the **class ID** and **class enrollment password** to add the new class.
