HOW TO CREATE AN FSA ID

- The FSA ID is only required when completing the FAFSA.
- Parents of dependent students (under the age of 24) will need to create their own FSA ID to electronically sign the student’s FAFSA.

Go to: www.fafsa.gov

- Click on "Login"
- Click on "Enter your (the Student's) FSA ID"
- Click on "Create an FSA ID"

Creating a New FSA ID

- Enter a valid and accessible email
- Create a Username and Password
- Enter your Personal Information (Social Security Number, Address, Contact, etc.)

Challenge Questions/Secure Code

- Total of 4 questions - choose the first two and create the last two
- Activate FSA ID by using the Secure Code which will be sent through text and/or email

Record Your Information

- Please write or take a photo of your username and password for reference
