Turnitin.com General Instructions

First-Time Access

2. Click on the Turnitin icon on your portal dashboard.

3. Choose

4. Follow the on-screen instructions to activate your account.
5. You will need the **class ID** and **class enrollment password** from your teacher. The class enrollment password is case-sensitive.
6. To enroll in additional classes, select the **enroll in a class** tab located under the *turnitin* icon at the top left of the page. Again, you will need the **class ID** and **class enrollment password** to add the new class.
